1. Committee Business

- Call to order
- Approval of the minutes of the May 18, 2022 meeting

2. Public Education: Consolidating Prevention Programs

Utah Code creates multiple programs aimed at prevention and intervention, like school dropout and suicide prevention programs. Local education agencies currently are required to address these prevention efforts through requirements in both statute and administrative rules. The committee will hear a presentation about opportunities to streamline these requirements to deliver programs more efficiently.
